

## ONELOGIX GROUP LIMITED

### VALUE SYSTEM

---

- A commitment to excellence – where everyone undertakes to perform at their best possible level.
- Teamwork – in a complex business, working effectively with others is essential.
- Integrity – everything we do is based on sound intentions and principles.
- Respect – each person is seen as an individual deserving of their dignity.
- Fairness – everybody is treated in an objective, equitable and fair manner.
- Accountability – we all take ultimate responsibility for our job performance.
- Trust – we can always rely on each other to behave according to these values.
